

Community Open House

Falls Road East – Shared-Use Path

- Project Description:** In an effort to improve pedestrian facilities and to complete a sidewalk connection between Dunster and Kimblewick Roads, the City of Rockville is proposing the extension of a shared-use path along Falls Road.
- A design consultant has prepared plans showing the alignment of the new shared-use path. City staff has reviewed the plans and is prepared to discuss the findings with nearby neighbors.
- Next Steps:** Based on input at the community meeting, City staff will work with the consultant to finalize construction plans for the proposed shared-use path. The final plans will be used to bid the project for construction. Construction is anticipated to take place in summer 2016.
- Project Location:** Falls Road between Dunster and Kimblewick roads.
- Date, Time, and Location:** Tuesday, Jan. 19, from 7-8 p.m., in the library of St. Raphael's Catholic Church, at 1513 Dunster Road. City of Rockville staff will be on hand to talk with residents and answer any questions during an informal open house. Please stop by at any point within the hour to learn more about the project.
- Cost:** \$69,688. Funding for construction will be paid for through a federal Transportation Alternatives Program grant that the City was awarded by the Maryland State Highway Administration.
- Contact:** Gregory Lyons, Project Manager, at 240-314-8506 or glyons@rockvillemd.gov
- Kevin Belanger, Pedestrian and Bicycle Coordinator, at 240-314-8509 or kbelanger@rockvillemd.gov
